EXPERIENCE

Five-Star Senior Living, Cumming, Ga — *Lifestyle Director*

September 2019 - June 2021

Assisted Living, Independent Living, and Memory Care. Manage a team of up to 3 assistants to create a full calendar of meaningful and engaging activities for Seniors. Maintain a large volunteer base, stay up-to-date on the latest data and best practices, and co-op with a diverse team to ensure continuity and quality across all aspects of care.

Independent Contractor, United States — *Archaeologist*

July 2010 - August 2019

Field work in archaeology and paleontology for various employers and institutions including Gainesville State College, University of Georgia, TerraXplorations, AECOM, the National Infantry Museum at Ft. Benning, and PaleoProspectors. Remote sensing, field work, creating museum displays, mapping, research, public outreach, technical writing and artifact preparation.

Imagine That! & Future Tech, Norcross, Ga — *Science Director/Teacher*

March 2016 - September 2017

Run the Science department of a supplemental education company. Research, create, and implement various STEAM curricula for ages 4-14. Manage directly a team of up to 6 assistants, and indirectly up to 30 teachers. Train new teachers and staff, curate a large warehouse of science supplies, and lead team-building events. Teach STEAM curriculum in classroom, camp and after-school settings to ages 4-14.
